

# PRE-QUALIFICATION DOCUMENT 2017

---

Eiffel Engineering General Trading & Contracting Co. W.L.L.

# CEO'S MESSAGE

---

The company is registered under the General Trading & Contracting License, and managed by a group of well experienced personnel in Engineering and Business Management. The details of the works and contracts are given in the forthcoming pages. We are always interested to solve the difficult tasks that are normally avoided by others. We deal with civil construction, steel fabrication, manpower supply, equipment leasing, material supply, temporary facility service, food & beverage supply and other Logistic Support works / services with reputed prime contractors in Oil & Gas fields.

We assure Quality services with prompt and consistent delivery schedule to the full satisfaction of our customers. We have an HSE Policy and vigilant Safety team to oversee all our operations.

Our pricing is quiet competent and service terms will always be quiet accommodative.
